## Principal's Message

"If you want your life to be a magnificent story, then begin by realizing that you are the author. And every day you have the opportunity to write a new page".

Consistently providing golden opportunities of rediscovering of self through art, literature, poetry, dance, drama to all students, KV Namrup welcomes you all to this issue of E-News Letter.

It presents the journey of primary section students and staff during the last quarter of academic session.

The journey that is laced beautifully with triumphs has been possible only because of hard working staff members, unconditional support of parents, VMC members and above all the Chairman, VMC. I take the opportunity of conveying my thanks to all stake holders and wish all my beloved students to prosper continuously.

Dear students learn to be there for others but never leave yourself behind.

Happy Reading & Jai Hind...
